2-3 May 2018

The International Conference for Modern Management

Conference Aims and Objectives

The 3rd CIC Interdisciplinary International Conference aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government, to converse about research and development, professional practices, exchange and share their experiences, new ideas, and research results about all aspects of **Business Science**. They will also be able to discuss the practical challenges encountered and the solutions proposed.

Call for Contributions

Authors are kindly encouraged to contribute to shaping the conference proceedings and theme through submitting their high quality research contributions, results, papers and posters.

High quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Economics, Management of Business, are encouraged to take part in the conference. The conference solicits contributions of papers that address themes and topics of the conference, including figures, tables, and references of novel research material.

CIC's Conference Awards: Call for Nominations

CIC's Conference Outstanding Contribution Award

CIC's Board Members are invited to nominate outstanding candidates for CIC Conference **Outstanding Contribution Award (OCA)** by **30 March 2018**.

CIC's Conference (OCA) candidates are scholars who have provided innovative contribution to CIC conference.

The Award Committee, nominated by CIC's Board by January 2018, will select the top candidate. The nomination form should include the candidates' curriculum vitae and an endorsement statement between 50-250 words. Nomination documentation should be submitted electronically to: conference@cic-cairo.com

Application Procedure:

Outstanding Contribution Award is established to recognize the outstanding contribution to the field of Engineering. It is awarded to researchers who made outstanding accomplishments in academic research in Engineering Science.

Criteria

An *Outstanding Contribution Award* candidate is expected to have:

- provided an innovative contribution to the field of Engineering Science,
- demonstrated commitment to the profession throughout the years,
- provided academic research that has impacted the field of Engineering Science,
- Endeavored to enhance the professional image and scholarly networks of CIC.

New Cairo Campus:

Land # 6, Center Services, South of Police Academy,
Fifth Settlement, New Cairo.

Sheikh Zayed Campus:

Land #12, Continental Gardens, Behind El Yasmen Resort,
Sheikh Zayed City, 6th of October.

conferences.cic-cairo.com

Hotline: 16242

Selection Method and Notification

CIC Conference Outstanding Contribution Award is awarded annually to a person who has made an outstanding contribution to the goals that CIC promote.

A call for nominations is launched every year. CIC Members are invited to nominate outstanding candidates and submit a nomination form by March of each year. The form should include the candidates' curriculum vitae and an endorsement statement between 50-250 words. All nomination materials should be submitted electronically to: conference@cic-cairo.com

Current serving Board Members are to abstain from participating.

Award Ceremony

The award ceremony and reception will be held during the annual CIC conference events.
